

D-Log PROFILE

LOG CONSTRUCTION

2" X 8" AND 6" X 8" PIECES
in Western Red Cedar and Eastern
White Pine with a D-Log profile

D-LOG PROFILE:

- Assorted lengths
- Single or double tongue & groove
- Class: Knotty

THE WESTERN RED CEDAR AND EASTERN WHITE PINE SPECIES:

- Easy to stain
- Naturally long-lasting and rot-resistant,
no chemical treatment
- Incomparable dimensional stability
(little expansion and contraction due to
temperature and humidity changes)
- Offers an R-7 insulation rating
(1,33/inch)
