SEMI-TRANSPARENT COLOURS

Highlights the beauty of our natural wood siding by letting the wood grain show through. **Scan the code to view all the colours.**

PROUDLY FINISHED WITH
SHERWIN-WILLIAMS
COATINGS

Regular maintenance is recommended for wood siding with semi-transparent stain, including touch-ups or re-staining every 5 years. Sherwin-Williams retailers are conveniently located across the country and can easily help you find and match your original colour.

SOLID PAINT FINISH UNLIMITED CHOICE

Inspired by a specific colour? With Sherwin-Williams's colour matching system, Goodfellow can offer infinite choices of solid paint colours.
