

GOODFELLOW *Terra*®

EXCEPTIONAL COLOR PERFORMANCE

Treated wood planks were exposed for a period of 7 months.

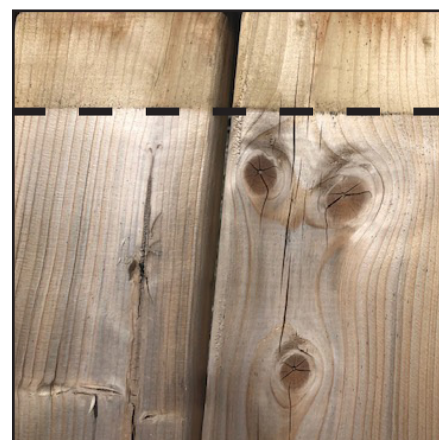

The upper part of the planks were not exposed to the elements.

COMPETITOR A

COMPETITOR B

COMPETITOR C

GOODFELLOW *Terra*®

- **Goodfellow Terra®** stands out with its beautiful, rich color that will last
- **Best-in-class color retention** as compared to the competition
- **Environmentally responsible choice**
- **Safe for use in and around freshwater** since there are no solvents
- **The Terra® color becomes uniform** over time
