STEEL & WOOD MIXED MATERIAL FENCING
PRODUCT INFORMATION

STEEL & WOOD MIXED MATERIAL FENCING

Steel & Wood Mixed Material Fencing provides a unique and modern design for your home. This mixed material program allows the mix and match of steel posts with wood boards to create a privacy or semi-privacy panel. The program works best when using a wood board thickness of 1 to 1 - 1/8" and boards 6' or less in length.

FEATURES & BENEFITS

- Craft a distinctive look using wood boards
- Ability to create full privacy panels or semi-privacy panels
- Modern design with matte black steel frame
- Premium powder coat for maximum durability
- Easy installation
- Limited Lifetime Warranty

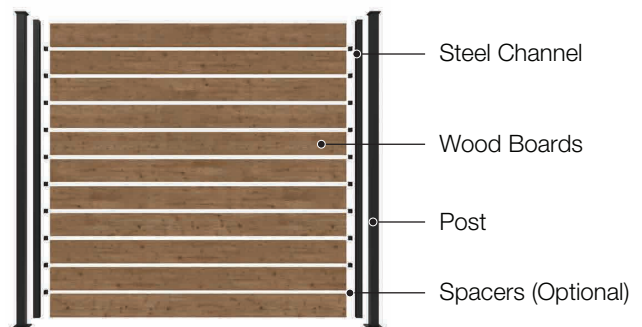

SKU INFORMATION

- 73050143 - 76" Post
- 73050144 - 96" Post
- 73050511 - Steel Channel Kit for Wood Boards

HOW TO SHOP

1. Select Post
73050143 - 76" Post for Surface Mount Installation
73050144 - 96" Post for In Ground Installation
2. 73050511 - Steel Channel Kit for Wood Boards
3. Choose Wood Boards*
*Recommend choosing boards with a thickness of 1 to 1 - 1/8" and boards 6' or less in length
4. Optional Spacers
Spacers for Semi-Privacy Installation

STEEL GATE FOR WOOD OR VINYL BOARDS INFILL

The Barrette Outdoor Living Steel Gate will give the finishing touch to your steel & wood or vinyl fence project. This structure will allow you to use either wood or vinyl infill. The gate must be installed on an inground steel post (sold separately).

FEATURES & BENEFITS

- Made of strong galvanized steel, satin black powder coated and rust resistant
- Use with Barrette Outdoor Living steel posts (inground installation recommended)
- Wood boards can be installed horizontally or vertically
- Gate hinges hardware (sold separately)

SKU INFORMATION

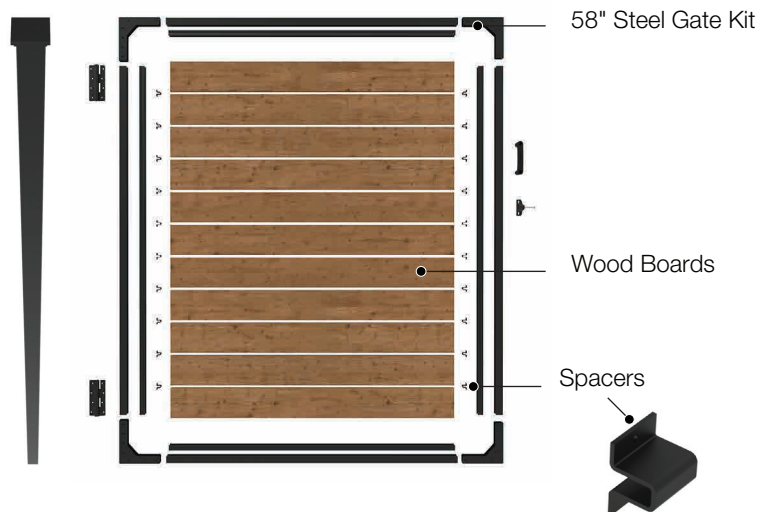

- 73054352 - 58" Steel Gate Kit
